A source for pcap files and malware samples...

Since the summer of 2013, this site has published over 500 blog entries about malware and exploit kit traffic. The number of blog entries continues to grow. Every post on this site has pcap files and/or malware samples.

Traffic Analysis Exercises

- [Click here](#) -- for training exercises to analyze pcap files of network traffic. [Click here](#) -- for some tutorials that will help for these exercises.
