You have missed few conferences. So far I can recommend:

NED Forum

Cyber Network Exploitation & Defence

Friday 30 January 2015, central London, UK

and

Thursday 12 February 2015, Edinburgh, Scotland

Also there will be HEAnet National Conference in Ireland, probably Cork same as 2014. Keep an eye on that one as date still haven't been announced.

If I ll come across new ones I ll post it here.

thanks for all this great information 😊

Some feedback:

RootedCON is on March (5, 6 & 7)

Other interesting CONs that I'm missing: CCC, HiTB, No cON Name, Hack in Paris, NoSuchCon

Cheers.

Thank you – that's very kind of you to add these conferences. We added RootedCon, Hack In The Box and a few others. There doesn't seem to be a date for CCC – I guess when that is made available then we will add it.

Hi,

I am back with few updates.

22nd International COSAC will run from Sunday 27th September through Thursday 1st October 2015

Venue: Killashee House Hotel, Naas, County Kildare, Ireland

Not sure if this applies as well, but considering Ireland does not have many conferences I thought I'll add it. Check it and decide.

10-11 November 2015 RDS, Dublin, Ireland

Here comes more:

ISACA Ireland: GRC 2.0

Friday 08:00 – 18:00 3rd Oct

Croke Park Conference Centre,

Jones' Rd, Dublin 3, Dublin, Ireland

Digital Rights Europe 2015

Wednesday, April 15th 2015

Venue: Grand Canal Hotel, Dublin, Ireland.

(ISC)2 SecureIreland Conference 2015

Tuesday, 31 March 2015

Venue: Engineers Ireland, 22 Clyde Road, Ballsbridge, Dublin 4, Ireland

HEAnet's National Conference 2015

11th – 13th November 2015

Venue: Rochestown Park Hotel Douglas, Cork

So far I couldn't find more. If there will be anything new I will not hesitate to post it. Keep up the good work! 🙏

My Bad I'd say I just overlooked it.

After bit of research I was able to find this:

ISACA Ireland & OWASP Seminar – “Conducting internet-wide research” & “PSNI Cybercrime update”

Wednesday, 18 March 2015 from 18:30 to 20:00 (GMT)

Citi (Gateway office)

60 Sydenham Rd

BT3 9DP Belfast

United Kingdom

I couldn't find link for the event it self but you can claim free ticket on eventbrite website. Which I guess will do the job as well.

Another one to look up would be CSX 2015 North America Conference

19 – 21 October 2015

Venue: 2660 Woodley Road Northwest

Washington, DC 20008

If you register before 1th April some sort of discount will apply.

Now one out of the blue. There is a conference in Poland. Every IT enthusiast can attend. I added it for a reference as it takes place every year since 2005 and I actually never heard of it ever before. It is organized by students (graduates) for students.

Unfortunately it starts 12th of March until 14th so we didn't get much notice.

Studencki Festiwal Informatyczny (Student's Information Technology Festival)

12th-14th March 2015

Venue: Kraków

Hala Sportowo – Widowiskowa UEK

sfi.org.pl

Non-profit so tickets are your passion and enthusiasm to seek knowledge.

Hi Asmar – really great to have your post from Kabul! The short answer is that I'm not too sure....I know that visas are processed for visiting conferences but I am not too sure on the actual process. Do you work in Cyber Security in Afghanistan?
